

Support BMMS while you shop!

Earn \$\$\$ for our school at NO COST TO YOU

Black Mountain Middle School can **earn THOUSANDS of dollars** when you use your grocery store club cards and your Target Red Card. You already have a card to save *you* money, why not earn money for our school too? VONS, Ralph's and Target provide contributions to schools every time you use your card. ***PLEASE don't go shopping again until you register your cards***
Remember Grandparents, neighbors and friends can also participate.

Thank you for your support!

What do you need to do? *Follow easy steps on the back.*

If you need assistance with your Vons card complete the form below and return with your registration.

Reminders: Vons and Ralphs require that you renew your participation every year.
If you were previously enrolled for another school you can change your designated school.

Thank you for your support!

David Hall, Principal, BMMS and April MacKinnon, President, Education Foundation at BMMS
