

EDUCATION FOUNDATION @ BMMS END OF SCHOOL YEAR UPDATE 2012

Thank You!

...to all of the families and businesses who have donated to the Foundation and/or participated in a fundraiser this school year. Because of your generosity, the Foundation has **invested more than \$30,000 in our Black Mountain students**, including:

- Purchasing an iPad cart for the science department with 20 iPad's for research and virtual labs
- Replacing 6 aging LED projectors
- Hiring an Impact Teacher to help students meet academic goals
- Adding the Literacy TA Software Program to our teacher's resources
- Purchasing supplies for the Garden Program for a school garden
- Providing nutrition lessons in the 7th grade Science classes

We are already moving forward on an exciting and ambitious plan for next year with the additional purchase of 12 iPad's and 12 Apple TV's for teachers to use to engage our children and enhance their educational experience and technology readiness.

Our goal is to put an iPad and an Apple TV in EVERY CLASSROOM, which will require an additional \$35,000 - \$40,000...

WE CAN'T DO IT WITHOUT YOU!

These investments in your children's education only come with your support. Please consider:

- Making a tax deductible donation to EFBMMS (by check or PayPal)
- Employer Matching programs (<http://www.matchinggifts.com/efbmms/>)
- Joining community sharing programs such as E-Scrip (www.escrip.com) and Buxback
- Shopping through the BMMS Amazon store link (<http://efbmms.org/AmazonStore.aspx>)

**With many thanks, we wish you a wonderful and restful summer,
*The Foundation Board of Directors***
