Dear BMMS Families:

Through your continued generous support, our students' educational experience at Black Mountain Middle School continues to grow! This past year, the Foundation was able to support Chromebook purchases, science materials, field trips, iPads, projectors, guest speakers, musical instruments and more. Our Foundation works to provide resources to all areas of our school with the primary focus of providing a high quality experience for our students. It brings me and our school great pride to know we have such overwhelming support!

With Raider Pride,  
Charan Kirpalani, Principal
