

EDUCATION FOUNDATION AT BMMS DIRECT ASK CAMPAIGN

2020-2021 School Year

Life is uncertain. BMMS learning doesn't need to be.

Your donation helps BMMS teachers prepare for an uncertain year.

COVID-19 has changed everything about this school year – but what didn't change is **how much we need you**. While we don't know *everything* BMMS teachers will need for this school year, we do know they'll need things they didn't need before, including:

- Training for best practices in online instruction
- Tools to enhance online learning
- Classroom needs for when students return
- And much, much more!

The Education Foundation at Black Mountain will be working with teachers and staff to **best support** their needs. Please **donate today** so EFBMMS can **immediately fund** teacher grants as needs arise. EVERY DOLLAR RAISED is an investment in our children's education. **Together** we can ensure BMMS teachers and students are equipped to **succeed!**

Suggested Donation: \$250/student
